Summary Statement: Please provide a brief description for how the analyzed data will impact your Inquiry and Action Planning process.

ELA achievement for all students (3-5) has increased from 29.5% in 2016 to 43.7% in 2019. When dis-aggregated by ethnicity, black students demonstrated 81.6% non-proficiency in 2016 and 84.7% non-proficiency in 2019. We have decreased non--proficiency in our Hispanic subgroup: 74.5% non-proficient in 2016 and 52.5% non-proficient in 2019.

Math achievement for all students (3-5) has increased from 20.3% in 2016 to 35.7 in 2019. When considering ethnic subgroups, our black students have shown an increase in non-proficiency: 84.2% non-proficient in 2016 and 87.2% non-proficient in 2019. Our Hispanic population has shown a decrease in non-proficiency: 83.7% non-proficient in 2016 and 63.4% non-proficient in 2019.

3-Year Trend Data for WIDA, grade K-5:

We have increased the percent of English Learners (Current & Former) meeting AGP in ELA from 37.2% in 2017 to 62.1% in 2019.

Proficiency data was shared with stakeholders and stakeholder input was obtained. Stakeholder input was then utilized in determining goals and action steps outlined in SPP to be implemented in the 2019-2020 school year.

Strengths: Staff and students are dedicated to supporting school wide expectations. Site leadership and staff are committed to actively improving student outcomes for students at Tobler and to increasing family engagement. Data drives decision-making.

Areas of Opportunity:

Chronic Absenteeism & Student Achievement

All instructional staff members must:

- * deliver the standards-based curriculum to all students,
- * routinely collaborate to review the impact of instructional strategies and to modify instruction accordingly, and
- * use classroom assessments aligned to state content standards.

School leadership must:

- * develop and communicate a clear, shared vision and mission.

Prioritized Needs:

Tobler E.S. conducted a comprehensive needs assessment (NCCAT-S) during the 2018-2019 school year. Based on the NCCAT-S, it was determined that Tobler prioritized needs are: 1.2 All instructional staff members deliver the standards-based curriculum to all students, 1.4 All instructional staff members routinely collaborate to review the impact of instructional strategies and to modify instruction accordingly, 1.5 All instructional staff members analyze results from available assessments, including state and local, and use the results to refocus or modify instruction at the school and classroom levels to ensure that all students meet or exceed proficiency, 2.1 All instructional staff members use classroom assessments aligned to state content standards, and 3.1

School leadership develops and communicates a clear, shared vision and mission. Teachers and staff analyzed data to these prioritized needs of increasing proficiency in math and ELA as reflected in the goals and action steps outlined in the SPP.

Priority Need/Goal 1:

Increase the percentage of students meeting Adequate Growth Percentile in ELA from 51.1% to 60% by 2020 as measured by state summative assessments and reported on the Nevada School Performance Framework.

Root Causes:

Tier One instruction/classroom assessments are not consistently aligned with the rigor demanded by the NVACS and state assessments. Little to no consistent collaboration is in place (aligned to research-based best practices for Professional Learning Communities).

Measurable Objective 1:

Increase percentage of students who met projected growth in reading from fall to winter 18/19 from 61% to 71% from fall to winter 19/20 on the MAP assessment.

Measurable Objective 2:

Increase percentage of students who met projected growth in reading from winter to spring 18/19 from 52% to 62% from winter to spring 19/20 on the MAP assessment.

Decrease chronic absenteeism from 17.5% in 2019-2020 by 3 percent, to 14.5% as measured by attendance records in infinite campus.

Root Causes:

In addition to family concerns that interfere with regular attendance, we face behavioral concerns that result in missed instructional time. We lack the necessary personnel to make a real difference in decreasing chronic absenteeism.

Measurable Objective 1:

Decrease chronic absenteeism from 17.5% to 13% by the first semester of the 2019/2020 school year.

COMPONENT IV: REQUIRED ELEMENTS FOR TITLE I SCHOOLS:

Title I Schools operating a Schoolwide Program must complete Items 1 through 5 on this page.

1. Describe the school's strategies to attract effective, highly-qualified teachers to your school.

R.E. Tobler Elementary School attracts highly-qualified teachers by providing an open door policy between teachers and administrators which creates a supportive and positive work environment. Teachers are provided school-wide common curriculum as well as PD on how to differentiate and adjust the curriculum to meet every student's needs. Site expectations are clearly communicated, and frequent feedback and support is provided. Our strong belief in the power of teacher efficacy and outcomes-oriented thinking attracts like-minded, dedicated professionals who are motivated to work hard to increase student achievement at R.E. Tobler.

2. Describe the school's strategies to increase family engagement in accordance with Section 1116 of ESSA (see resource link), such as family literacy services and the provision to parents on how the school will share academic information in a language they understand.

Family engagement is critical. We take a multi-faceted approach by offering many different opportunities for families to truly feel they are important members of our school community: communication tools such as Class Dojo, the school's frequently-updated website and social media accounts, and frequent ParentLink messages. In addition, at least once a month we offer a face-to-face family event, such as Family Game Nights, academic nights (a variety of days/times offered), story nights, Pastries with My Peeps, breakfast hangouts, etc. We also frequently update the marquis sign at the front of the building as well as send home paper flyers with information the community may find interesting.

3. Describe the school's plans for transition and articulation between school programs (ie: assisting preschool children from early childhood programs such as Head Start, Even Start, or a state-run preschool program to elementary school, elementary school to middle school, and middle to high school, etc.).

Students coming to R.E. Tobler from early childhood programs or other schools are introduced to new teachers at the fall Meet-the-Teacher event. Fifth grade students are visited by their middle school counselor in the spring to give assistance in pre-registering. Students are also invited by middle school principals to attend a sixth grade orientation and tour of the assigned middle school. Our school counselor and classroom teachers provide Social Emotional Learning opportunities to ensure all students at R.E. Tobler are responsible, kind, and safe. This positive culture helps newcomers to be at ease as they transition to becoming Top Tigers themselves.

4. Identify the measures that include teachers in decisions regarding the use of academic assessments.

Administration and teachers regularly meet to discuss instruction and assessment: Site-Based Collaboration Time, staff meetings, grade level meetings, Governance Team sessions, School Performance Planning Team sessions, School Organizational Team sessions, and the all-important and frequent impromptu conversations.

5. Provide assurance that federal, state, and local services are coordinated and integrated into the school improvement efforts

As evidenced throughout our School Performance Plan, without the coordination and support of federal, state, and local services, we would be severely limited in how we positively impact student achievement and family engagement at R. E. Tobler. It is only with this integrated approach that we can best support our young scholars.

Plan for improving the school climate

Goal:

Increase the percentage of staff that feel that the school promotes staff and teacher participation in decision-making that affects school practices and policies from 77.5% to 85% according to the 2020 District Survey

Action Plan: How will this plan improve the school climate?

Administration will seek input from staff before enacting new initiatives during governance meetings and staff meetings. Administration will also discuss all initiatives and create a "don't do" list to eliminate initiatives that are not affecting student achievement.

Monitoring Plan: How will you track the implementation of this plan?

Staff meeting and governance meeting agendas and sign ins.

Evaluation Plan: What data will you use to determine if the climate of the school has been improved through the implementation of this plan?

District Wide 2020 Survey

APPENDIX A - Professional Development Plan

1.1

* Establish a clear, shared vision and mission * Reduce class-sizes in 4th and 5th grades * Provide PD on effective Professional Learning Communities (PLCs) models in order to establish and maintain high-quality PLCs: attendance at PLC conferences, PLC book study * Provide opportunities for coaching cycles aligned to PLC process * Collaborative, long-range planning * RBG3 strategist will provide push-in, small-group instruction on a rotating basis as a model for classroom teachers, teacher will then implement best practices, and administration will observe and provide feedback.

Goal 1 Additional PD Action Step (Optional)

2.1

* Establish a clear, shared vision and mission * Reduce class-sizes in 4th and 5th grades * Provide PD on effective Professional Learning Communities (PLCs) models in order to establish and maintain high-quality PLCs (conference attendance and book study) * Provide opportunities for coaching cycles aligned to PLC process * Collaborative, long-range planning * RBG3 strategist will provide push-in, small-group instruction on a rotating basis as a model for classroom teachers, teacher will then implement best practices, and administration will observe and provide feedback. * Teachers will implement the PD provided in 2018-19 by Math Solutions on a regular basis in 2019-20 * Provide student support via Communities in School site coordinator to enable teachers to devote more time to PLC work

Goal 2 Additional PD Action Step (Optional)

3.1

* Schedule meeting with families as students reach six and ten absences.

Goal 3 Additional PD Action Step (Optional)

APPENDIX B - Family Engagement Plan

1.2

* School will hold frequent family engagement events * Staff will involve families through the use Class Dojo, a free of charge online/smart phone app. Each teacher will post at least twice a week to their Class Story and parent enrollment of 90% is the goal for each class, with every effort being made to reach 100% enrollment of families. Weekly posts will allow families to virtually see what their child is learning in school and also provides an easily accessible line of communication between families and teachers.

Goal 1 Additional Family Engagement Action Step (Optional)

Increase the participation of parents and community members completing district surveys as it relates to Tober ES by providing computers during family literacy night, and other after-school family events so that all parents in attendance will fill out the survey. Procure incentives from community partners as incentives to motivate more parent involvement and encourage more volunteers.

2.2

* School will offer frequent family engagement events * Staff will involve families through the use Class Dojo, a free of charge online/smart phone app. Each teacher will post at least twice a week to their Class Story and parent enrollment of 90% is the goal for each class, with every effort being made to reach 100% enrollment of families. Weekly posts will allow families to virtually see what their child is learning in school and also provides an easily accessible line of communication between families and teachers. * Families will be consistently included in the goings-on at the school via Dojo, ParentLink messages, and the school website/social media accounts

Goal 2 Additional Family Engagement Action Step (Optional)

Staff will offer an Academic Math Night and parent meetings for families to learn: 1) All literacy initiatives in goal 1. 2) How to log on to ST Math at home. 3) What performance tasks look like and how to help their child at home. 4) DOK and Academic Vocabulary embedded into activities.

3.2

Goal 3 Additional Family Engagement Action Step (Optional)

APPENDIX C - Monitoring/Evaluation**Priority Need/Goal 1****Priority Need/Goal 1:**

Increase the percentage of students meeting Adequate Growth Percentile in ELA from 51.1% to 60% by 2020 as measured by state summative assessments and reported on the Nevada School Performance Framework.

Measurable Objective(s):

- Increase percentage of students who met projected growth in reading from fall to winter 18/19 from 61% to 71% from fall to winter 19/20 on the MAP assessment.
